Vital Earth's®

Seabird Guano Liquid Bloom

2-5-0

Material Safety Data Sheet

I. PRODUCT NAME/TRADE NAME: Emergency Telephone Number:

Vital Earth's® Seabird Guano Liquid Bloom 503-493-2784

2-5-0 Information Telephone Number:

Sizes: 1 qt/0.9461 L, 1 gal/3.7843 L, 503-493-2784

2.5 gal./9.4607 L, 5 gal/18.921 L, Date Prepared:

250 gal/946.07 L 01/15/08

EPA REGISTRATION #: none

CHEMICAL NAME/COMMON NAME:

Organic Liquid Solution/Organic Liquid Grow

Solution

Is not a controlled product and is not covered

WHIMIS Classification of Product: under Hazardous Product Act and WHIMIS.

Fertilizer (Natural)

Product use:

VII. PRECAUTION FOR SAFE HANDLI	NG AND USE
Personal Protective Equipment	
Respiratory:	When dust is present, use a NIOSH/MSHA
	approved half- or a full-face respirator with a
	High Efficiency Particle Aerosol (HEPA)
	cartridge
Skin:	Wear proper personal protective equipment to
	reduce skin exposure.
Eyes:	Use appropriate eye protection e.g.: goggles, to
	minimize contact with dust.
Other:	Wear sturdy work clothing and footwear for the
	specific application.
Environmental Hazards:	Dike area to prevent entering drains, sewers or
	water courses.
Engineering controls:	In restricted spaces, use effective ventilation,
	e.g. Local Air Ventilation. Do not permit
	excessive accumulation of dust in work areas.

Best practice is to clean up with a vacuum equipped with a HEPA filter.

Steps to	be taken	in case	material	is released	or
spilled:					

If uncontaminated, collect for reuse or disposal.

Use a clean up system which does not create

dust, e.g. a vacuum equipped with a HEPA

filter. If contaminated or not required for reuse,

dispose in approved landfill in accordance with

local regulations.

Waste Disposal Method:

If uncontaminated, dispose as a non-metallic mineral. If contaminated, use appropriate method for containment with applicable local regulation(s).

Precaution to be taken in handling and storing: Product should be kept in a dry place. Avoid creation of respirable dust if possible. Protect workers as above. Use effective ventilation and dust collection. Avoid eye and skin contact with wet product during use.

Special shipping information:

NA

VIII. CONTROL/FIRST AID MEASURES/HEALTH PRECAUTION DATA

Respirator Protections:

Use only NIOSH/MSHA - approved respiratory protection for nuisance particles up to 10 times

the PEL/TLV. Positive pressure self-contained breathing apparatus should be used for confined space entry and high exposures above the nuisance particulate PEL/TLV.

Ventilation: Local exhaust/general ventilation to control nuisance dust.

Protective/Work Gloves: Rubber, latex, vinyl, or other impervious gloves recommended

Eye Protection: Safety Goggles or glasses with side shields and brow protection Recommended.

Other Protective Clothing or Equipment: Not required

Work / Hygienic Practices: Wash to remove dust after use

Eyes: Flush with tempered water for at least 20

minutes. Obtain medical attention

Skin: Wash with soap and water. For caustic burns to

skin consult a doctor.

Ingestion: Drink large amounts of water. Do not induce

vomiting. Seek immediate medical attention.

Gross inhalation of dust:	Remove victim to fresh air and administer CPR
	if necessary.

IX. SPECIAL PRECAUTIONS

Keep out of reach of children. Do not wash down storm or sanitary sewer system. Read and follow all label instructions.
