

Soluble Seaweed Extract

Safety Data Sheet

SECTION 1: Identification

1.1. Identification

Product name Soluble Seaweed Extract.
 Chemical description Seaweed extract, *Ascophyllum nodosum* (algae) 00-00-12.

1.2. Relevant identified uses of the substance or mixture and uses advised against
 Use of the substance/mixture Fertilizers

1.3. Details of the supplier of the safety data sheet
 Earthcrew, Inc.

1.4. Emergency telephone number
 Emergency number 805-907-2174 Contact your local emergency response services.

SECTION 2: Hazard(s) Identification

2.1. Classification of the substance or mixture

GHS-US classification
 Not classified

2.2. Label elements

GHS-US labeling
 No labeling applicable

2.3. Other hazards

No additional information available.

2.4. Unknown acute toxicity (GHS US)

Not applicable

SECTION 3: Composition/Information on ingredients

3.1. Substance

Not applicable

3.2. Mixture

Name	Product identifier	%	GHS-US classification
Seaweed extract	None	100	Not classified

Full text of classification categories and H statements: See section 16

SECTION 4: First aid measures

4.1. Description of first aid measures

First-aid measures after inhalation : Move to fresh air. If breathing difficult, administer oxygen or artificial respiration.
 Consult physician if symptoms occur.

First-aid measures after skin contact : Wash with mild soap and flowing water. Wash contaminated clothing.

First-aid measures after eye contact : Flush immediately with water for 15 minutes, lift lids. See physician if irritation persists.

First-aid measures after ingestion : For small amounts drink plenty of water. More than a mouthful should be purged by vomiting, but only if the victim is conscious. Get medical help if symptoms occur.

4.2. Most important symptoms and effects, both acute and delayed

Symptoms/injuries after inhalation : Dust can cause irritation to the respiratory tract mucus membrane, sneezing and coughing.

Symptoms/injuries after skin contact : Brief contact with the skin is not toxic. Repeated or prolonged contact will dehydrate skin.

Soluble Seaweed Extract

Safety Data Sheet

Symptoms/Injuries after eye contact : Will irritate on contact, wash out quickly.
Symptoms/Injuries after ingestion : No known significant side effects.

4.3. Indication of any immediate medical attention and special treatment needed
No additional information available.

SECTION 5: Firefighting measures

5.1. Extinguishing media

Suitable extinguishing media : Water, CO2.
Unsuitable extinguishing media : None.

5.2. Special hazards arising from the substance or mixture

Fire hazard : Non-combustible.
Explosion hazard : None known.

5.3. Advice for firefighters

Protection during firefighting : Firefighters should wear full protective gear.

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures

6.1.1. For non-emergency personnel
No additional information available.

6.1.2. For emergency responders
No additional information available.

6.2. Environmental precautions

Prevent entry to sewers and public waters.

6.3. Methods and material for containment and cleaning up

For containment : Stop the flow of material, if this is without risk.
Methods for cleaning up : Avoid creating dust when cleaning up. Scoop, shovel or sweep to labeled containers for recycling/salvage if not contaminated by other material. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Dispose of product in accordance with local and national regulation.

6.4. Reference to other sections

No additional information available.

SECTION 7: Handling and storage

7.1. Precautions for safe handling

Precautions for safe handling : Wash thoroughly after handling.

7.2. Conditions for safe storage, including any incompatibilities

Storage conditions : Keep container tightly closed. Keep in a cool, dry, well-ventilated area.

SECTION 8: Exposure controls/personal protection

8.1. Control parameters

No additional information available.

8.2. Exposure controls

Appropriate engineering controls : Exhaust fan recommended in controlling any dusting.
Hand protection : Wear appropriate protective gloves to prevent skin exposure.
Eye protection : Splash goggles recommended where dusting is expected.
Skin and body protection : Wear suitable working clothes.
Respiratory protection : If airborne concentrations are above the applicable exposure limits, use NIOSH approved respiratory protection.

Soluble Seaweed Extract

Safety Data Sheet

SECTION 9: Physical and chemical properties

9.1: Information on basic physical and chemical properties

Physical state	: Solid
Appearance	: Powder or flakes
Color	: Black
Odor	: Slight seaweed
Odor threshold	: No data available
pH	: 9.5-10.5
Melting point	: Not applicable
Freezing point	: No data available
Boiling point	: No data available
Flash point	: No data available
Relative evaporation rate (butyl acetate=1)	: No data available
Flammability (solid, gas)	: No data available
Vapor pressure	: No data available
Relative vapor density at 20 °C	: No data available
Relative density	: No data available
Specific gravity / density	: 500g/l
Solubility	: Highly soluble in water
Log Pow	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available
Explosion limits	: No data available
Explosive properties	: No data available
Oxidizing properties	: No data available

9.2: Other information

No additional information available.

SECTION 10: Stability and reactivity

10.1: Reactivity

No additional information available.

10.2: Chemical stability

The product is stable at normal handling and storage conditions.

10.3: Possibility of hazardous reactions

Will not occur.

10.4: Conditions to avoid

None.

10.5: Incompatible materials

Reactive w/ oxidizing agents.

10.6: Hazardous decomposition products

None.

Soluble Seaweed Extract

Safety Data Sheet

SECTION 11: Toxicological information

11.1. Information on toxicological effects

Acute toxicity	: Not classified
Skin corrosion/irritation	: Not classified
Serious eye damage/irritation	: Not classified
Respiratory or skin sensitization	: Not classified
Germ cell mutagenicity	: Not classified
Carcinogenicity	: Not classified
Reproductive toxicity	: Not classified
Specific target organ toxicity (single exposure)	: Not classified
Specific target organ toxicity (repeated exposure)	: Not classified
Aspiration hazard	: Not classified

SECTION 12: Ecological information

12.1. Toxicity

No additional information available.

12.2. Persistence and degradability

No additional information available.

12.3. Bioaccumulative potential

No additional information available.

12.4. Mobility in soil

No additional information available.

12.5. Other adverse effects

Effect on the global warming : No known effects from this product.

SECTION 13: Disposal considerations

13.1. Waste treatment methods

Waste disposal recommendations : Dispose of contents/container in accordance with local/regional/national/international regulations.

SECTION 14: Transport information

Department of Transportation (DOT)

In accordance with DOT

Not applicable

SECTION 15: Regulatory information

15.1. US Federal regulations

No additional information available.

15.2. US State regulations

No additional information available.

SECTION 16: Other information

We do not accept liability for loss, injury, or damage which may result from misuse. Data is solely for guidance purposes of safe handling and uses. We encourage users to conduct their own testing best suited for their purposes under their conditions.
